

Guacamole

Mexican avocado-based dip, spread, or salad

Place of origin: Mexico

Made of

Avocado

Coriander

Lime (fruit)

Salt

Onion

Guacamole (Spanish: [(g)waka' mole]; (informally shortened to guac in the United States since the 1980s) is an avocado-based dip, spread, or salad first developed in Mexico. In addition to its use in modern Mexican cuisine, it has become part of international and American cuisine as a dip, condiment and salad ingredient.
